**SPRING CLEANUP – 4/12-13**

An excellent effort was made by many club members over the weekend for the annual Spring Cleanup activity. From clubhouse and hanger maintenance brush and tree control the club facilities received needed attention. The Sunday crew was able to continue to the efforts with some cleaning and painting in both the men and women's bathrooms. It sounded like an easy job, however, since both bathrooms have stalls and showers, it was like painting a miniature house and took well over 6 1/2 hours. Thank goodness it was too windy to fly, we would have been easily distracted.

**Sunday Crew members – Lorrie & Gordon Penner, Tom Rudolf, Fred Hawk, and Barb Gabbard all pitch in to paint and clean the clubhouse.**

## **FLIGHT REVIEW GROUND SCHOOL – 4/12**

Eight club members were able to receive the ground school portion of their Flight Review from John Atkins on Saturday morning.

## **BRING-A-FRIEND DAY, AKA OPEN HOUSE, MAY 17**

A special effort is being made to prepare CCSC to welcome your friends, neighbors, work colleagues or anyone else you have been talking with about flying gliders. Be thinking about whom you will invite. Speak with them soon, before other events encroach on their calendars. (Normal guest ride fees will apply.)

## **GRILL MASTERS NEEDED FOR MAY 17**

Bring-A-Friend day is May 17. The plan is to provide hamburgers and hot dogs to our guests, possibly at the flight line. If you are willing to work a shift at the grill that would be greatly appreciated. Let [Brian Stoops](#) know that you will help.

## **MEMORIAL DAY FUN FLY**

A great weekend is in store for May 24-26. Gary Adams is arranging for a dinner-dance. The tow plane hangar floor will be used for dancing. Mark Schababerle will secure appropriate dance music. Gary is negotiating with caterers for the feast. Steve Statkus is arranging for the Fun Fly special events. Frank Paynter will serve as Contest Director for the contest which will be designed to enable all skill levels to participate and have fun. Be sure that you have completed your annual field check (and FAA flight review if required) so you can join in the fun.

## **WEDNESDAY – 4/9**

Because of wet spots we had to keep to the north side of the runway and launch from the west end, but Wednesday was a great day for flying with all flights lasting more than an hour. Two private ships (Poul Pedersen and Don Burns) were exercised for the first time this season. The G-102 was flown twice for its first time out this season. The L-23 made 2 flights and the G-103 and a 2-33 also made flights for a total of eight. Wednesday crew has more fun!

## **SATURDAY - 4/12**

Due to strong cross winds we decided not to fly today. It was the annual clean-up day and a good crowd showed up so a lot was accomplished. A flight review ground school was also conducted by John Atkins. The wind and the sun should have gone a long ways in drying out the field.

## **SUNDAY - 4/13**

Winds howled at 22kts gusting to 32kts out of the south so no flights were attempted in favor of continuing the Spring Cleanup activities.
