CONTEST MEAL VOLUNTEERS NEEDED

Several volunteers are needed to help with meals. The food will be catered, but we need a few club members each day to help with setup and cleanup. These are the days your help is needed:

- Friday, 6/13: Mexican (1-26 Association only)
- Sunday, 6/15: Pig roast
- Tuesday, 6/17: Italian
- Thursday, 6/19: Fried chicken
- Saturday, 6/21: Pizza
- Sunday, 6/22: Awards brunch (1-26 Association only)

We can use more help with each of these meals, but we really need a few more volunteers for the pig roast on Sunday and fried chicken dinner on Thursday. As always, those who help get to enjoy a great meal at no charge. Please contact Lucy Anne McKosky at lmckosky@roadrunner.com or 937-435-1576.

CONTEST GROUND CREW VOLUNTEERS NEEDED

The ground crew will assist pilots in moving their gliders to the flight line, launch gliders in rapid succession, rapidly retrieve and position any gliders that need a re-launch, retrieve gliders at the end of the day when all return at about the same time, etc. If you are willing to help or can recruit a youth who will help please let Jim Dudley know at JimDudley@cinci.rr.com.

SEVEN NEW MEMBERS

At the June meeting of the Board of Trustees applications received during May were reviewed and seven (7) new members were approved. Stefano Sinigaglia is a new full member. Sanny Omar, Spencer te Wildt and Tim Kurtiak are new student members who are currently at GE in coop/intern programs and will be rotating back to their college studies periodically. Three new members will be attending Youth Camp this summer: Madison Root is Bob Root's granddaughter, Chloe Williams is Bill Gabbard's granddaughter and Joe Tomei is eager to start his aviation career. Welcome to each of these new members of CCSC.

FINANCIAL HIGHLIGHTS FOR MAY

The 217 flights in May kept the club in a healthy financial situation; in fact, YTD net income is currently \$10,600 favorable to plan! Part of the reason for such a favorable balance is delay in receiving bills for annual inspections and maintenance on two tow planes which are likely to consume more than half the favorable balance. The cash situation is good with sufficient in the bank to cover anticipated expenses during the next couple of months. A new load of fuel has been received @\$4.189/gal resulting in a new fuel index of \$0.40 per 100 ft.

TOW PLANES ALL BACK IN SERVICE

33Z is back at CCSC after completion of its annual inspection and the AD that has kept it out of service for the past couple of months. Cubby completed the work after the FAA approved special procedures. So, all three tow planes are ready for the upcoming contest. In addition, arrangements have been made for Cubby's Pawnee to also be used for the contest.

33Z is back in service!

NEW RADIO APPROVED FOR SD

K-21 SD's radio is inoperative in the transmit mode, so the board approved purchase and installation of a new radio. Steve Statkus will be overseeing the change and will investigate getting the malfunctioning Dittel radio repaired.

CONTEST STARTS THIS WEEK

The 1-26 contest starts Saturday with practice days on Thursday and Friday with 19 contestants anticipated. The Region 6 South competition starts Sunday with Saturday being a practice day for the 14 contestants. Come and join in the fun.

BONUS DAY - FRIDAY - 6/6

Don Burns prepares to launch, assisted by Bob Miller with Mark Miller checking for traffic

The forecast was looking too good to pass up so a group got together to fly cross country. Thanks to Don Green and Bob Miller for towing for 7 soaring flights. OLC scores show that Don Burns had the highest score with a flight of 293 km at an average speed of 77 km/hr. (He even got a higher OLC score than Frank Paynter who was racing at Minden.) If you would like to participate in Bonus Day flying, just let [Jim Dudley](#) know and your name will be added to the email distribution list that is used to organize these events.

SATURDAY - 6/7

It was another great soaring day. A total of 30 flights were enjoyed, including 2 introductory flights. Thanks to Paul McClaskey for replacing the right rudder adjustment pin in the Grob-103 so that it could be used for guest flights.

Meanwhile 9 members were off on cross country flights from CCSC. Joe Simmers outscored Dan Reagan with an average speed of 59.8 km/hr to Dan's 57.5 km/hr, each covering a 235 km course.

Guests Douglas Jankowich and Morgan preparing for introductory flights with Bill

FRANK PAYNTER AT MINDEN-TAHOE

The racers at Minden-Tahoe were in a different world. The two and a half hour segment of Frank Paynter's flight that is counted for the Gold League covered 331.9 km at an average speed of 132 km/hr. Overall he averaged 115 km/hr, completing a 463 km course in exactly 4 hours. In four consecutive days of racing Frank's average speeds were all above 100 km/hr!

CCSC MEMBERS INVITED TO DINNER

This year we are having catered meals for the contest personnel which will be served in the Towplane Hanger. The schedule and menu:
