GOVERNANCE OF CLUB ACTIVITIES

Twenty four club members attended the meeting of the 2020 Committee following the SSD Board meeting on Saturday. One of the primary topics identified by the 2020 Committee to assure club vitality in the future is governance of club activities. A sub-committee led by John Lubon was formed to work this issue. A key question is whether our two-corporation (SSD and CCSC) arrangement is the best for members and the long term strength of the club. The Governance Committee has met with an attorney and received guidance that our two-corporation structure no longer has any value in protecting club assets from a hostile lawsuit. Several advantages have been

identified from consolidating activities into a single corporation to be named, Soaring Society of Dayton doing business as Caesar Creek Soaring Club of Ohio. As part of John's report to the 2020 Committee there was an opportunity for all present to participate in a discussion. There was widespread support for the concept and the discussion quickly focused on specific details related to the merging of the CCSC Bylaws into the SSD Code of Regulations. Suggestions and ideas from the discussion are now being worked into the merged document which will be made available for review and comments by all members within the next week. The current proposal will simplify staffing by combining the SSD and CCSC organizations such that only a single 11-member Board of Directors will be needed. This will streamline decision-making, greatly simplify tax reporting and reduce the overall tax paid by members (currently a portion of the lease payment by CCSC to SSD is taxed once when members pay CCSC and a second time when CCSC pays SSD). The budgets of the two organizations will also be merged with no changes in individual line items from the budgets approved

by the separate boards. There will be no changes to the fees and dues structure. Monthly statements will look the same and payments will continue to be payable to CCSC. The UOP will be unchanged except that it will be under the authority of the Board of Directors of SSD dba CCSC instead of the CCSC Board. Members are encouraged to provide suggestions to current board members.

LADIES LUNCHEON

The CCSC ladies annual winter luncheon will be held at The Hammel House (121 S. Main St., Waynesville, 513-897-2333) on Saturday, January 17th, at 12:00. Please RSVP to [JoAnne Pedersen](#) by Wednesday, January 14th, so she can reserve a seat for you. All CCSC ladies and their relatives and friends are invited.

WEDNESDAY CREW STAYS WARM BY THE FIRE

With wind from the NW at 13 mph and a temperature of 9 F, the fireplace was the gathering spot on Wednesday until Charlie DeBerry announced that the soup was ready. All enjoyed Ellen's delicious chicken-mushroom soup. Meanwhile Steve Statkus was at Tim Morris' shop in Fairfield opening up 135 to commence the repairs.
