SPORTS CLASS NATIONAL CONTEST

Conditions were weak on Monday, but many of the competitors took advantage of the practice day to sharpen skills and familiarize themselves with the area. Tuesday conditions improved after the front passed, so at 3:00 pm an additional round of practice flights was launched. Wednesday the weather should be good for the first day of competition flights. Come out and watch and help.

CLOUDSTREET - SOARING THE AMERICAN WEST

SSA is sponsoring a high-definition movie showing the beauty and drama of a flying adventure in the American West. Here is a teaser: <https://vimeo.com/88283001>. It is scheduled to air on Wednesday, July 15, at 10 pm on the Cincinnati and Dayton PBS stations, ThinkTV 14.1 & 14.5. Watch it and encourage others to watch it and then come out and experience an Introductory Soaring Flight.

Jim and Ronnie Price have been at CCSC for a week helping to prepare. Ronnie cleaned and organized the clubhouse. It looks great! Now Jim is eager to do some flying. Look for him in 77.

CODE OF REGULATIONS

Micah and Caleb Ferguson of Martinsville, OH, have come to help during the contest. They have been busy helping tow gliders, run tow ropes, run wings and all the other tasks that are required for a great contest.

Although a major revision to the Code of Regulations was just approved in April 2015, issues have arisen that warrant additional changes. The Board approved the wording changes at the June meeting and set August 1, 2015 at 11:00 am for the Special Meeting of Shareholders to vote on the proposed changes. Expect to receive a proxy ballot in advance of the meeting in case you are unable to attend. Please review the [proposed changes](#) (Access Code for Members Only Area is printed on your monthly statement) in preparation for casting your vote.

A National Sports Class contest requires that each competitor's glider be weighed, including the pilot, parachute and all flight equipment. Scales were set up on the concrete pad adjacent to the silo. The weighing has now been completed.

Dinner was provided to all competitors on Tuesday after flying. A Safety Meeting followed dinner. One of the questions was, "What is the plan in case of a low rope break when launching to the west?" Jim Price responded by providing the strategy of many CCSC pilots. By the way, each year we start the contest with a brand new set of ropes prepared by Don Burns. After the contest these ropes become our regular ropes and the old ropes are retired, just to minimize the risk of a rope break.
