VOLUNTEERS NEEDED FOR YOUTH CAMP

Additional tow pilots, someone to assist with Crew Chief responsibilities, and additional dining/kitchen crew are all needed. Contact Steve Statkus or Steve McManus to volunteer.

SATURDAY JUNE 18

Maury Drummey and his 3rd Saturday crew launched 37 flights, including two (2) guest rides. Some taping on the Grob 103 was re-done prior to its being flown. Maury reported that "Tom McDonald and his musician friends were excellent."

SUNDAY JUNE 19

Brian Stoops and his 3rd Sunday crew launched 36 flights, including seven (7) guest rides, all with only one towplane (33Z) operational. Brian reported that the cu's started popping around 1 p.m. and the last aircraft landed at 7:15 p.m.

TOWPLANES

Only one towplane (33Z) is currently operational, with 48L having been out of commission since April 20 and 909 being grounded this past Sunday when metallic particles were found inside the oil filter. The engine from 48L is ready to return to service and Tim Christman reported that this engine will be installed on 909 in order to return 909 to operational status, if possible by this coming weekend.

FLIGHT CARD DETAILS

In the past month, five (5) flight cards did not have any indication of the glider which was flown, resulting in each pilot being charged \$20 for an ASK 21 flight. Be careful to fill your flight card out in full!
