VOLUNTEERS NEEDED FOR YOUTH CAMP

Additional tow pilots, someone to assist with Crew Chief responsibilities, and additional dining/kitchen crew are all needed. Contact Steve Statkus or Steve McManus to volunteer.

SATURDAY JUNE 25

Chuck Lohre and his 4th Saturday crew launched 24 flights, including five guest rides. A pair of Ray-Ban sunglasses were found on the field and were placed on the counter inside the clubhouse.

SUNDAY JUNE 26

Steve Statkus and his 4th Sunday crew launched 18 flights in the intense heat. Steve anticipates getting the last golf cart that was out for service back this week.

TOWPLANES

The installation of the rebuilt engine onto 909 was delayed due to the extended electrical power outage caused by the storm last week. After the engine installation is completed, the aircraft must be flown for 25 hours to break in the engine prior to using it for towing.

POWER OUTAGE – FREEZERS AND REFRIGERATORS EMPTIED

From Rolf Hegele: “As a result of last week’s tornado, the Club lost power for over three days and it did not come on again until Friday evening. As a result, the first thing the Saturday Crew did was to throw everything out of the Refrigerators and Freezers. So if you had anything in there, it’s gone.”
