SSD Board Meeting Minutes

July 15, 2006

Present: Wally Detert, Dave Edwards, Bill Maxwell, Lucy Anne McKosky, Dieter Schmidt

Absent: John Lubon, Norb Maurer, Bob Root, Buck Towne

The meeting was called to order at 9:55 a.m. by Dieter Schmidt. The minutes of the previous meeting were reviewed and accepted.

The treasurer's report was reviewed and accepted. Property taxes and the bill for tractor repairs have been paid, reducing account balances until the next CCSC lease payment is received.

Rolf Hegele advised the board of three resignations from the CCSC board. He also inquired about the purchase of a new refrigerator for the clubhouse.

Old Business: Dave Edwards reported that two fire extinguishers for the new towplane hangar have been purchased from the company who maintains the existing extinguishers. The bill was sent to CCSC.

Wally Detert reported that the cost of a suitable generator might be as low as \$800. Other temporary means of bringing power to the new towplane hangar were discussed. Bill Maxwell expressed concern about the maintenance requirements of a generator.

New Business: The 126 trailer parked at the end of the pole barn needs to be moved to clear a path to the towplane hangar. One request to redeem stock has been received. The shares will be redeemed after the next CCSC lease payment is received.

The meeting was adjourned at 10:25 a.m. The next meeting will be Saturday, August 19, 2006, at 9:30 a.m.

Secretary

First Solo

Congratulations to Fred Mischler for achieving his first solo flight on Sunday, July 30th! Fred rejoined the club after a long season away from soaring. But this time, he has worked hard at achieving this milestone. Dick Eslinger and Rich Carraway both worked with Fred on Sunday and Dick certified Fred's readiness to solo. Thanks, too, to tow pilots Dick Eckels and Tony Bonser and the Third Sunday crew.

Board of Trustees

At the Board of Trustees meeting on 5 August, three members joined the Board. They are Maury Drummey, Jim Goebel, and Paul McClaskey. Please welcome them for their service and if you have any issues, they will be pleased to discuss them with you.

Newsletter Editor

Aaron Sorrell has been working for many years very quietly, but efficiently in the background preparing our newsletter, the Frequent Flyer, and ensuring its publication. This involves compiling articles into a publication format; coordinating with the Operations Director to make sure the latest crew list is included; and printing the newsletter in time for distribution on the second Saturday of the month.

Aaron has requested we find another volunteer to continue this important service.

ANY VOLUNTEERS??

If your interested, please contact Rolf at 937-862-8662 or N11RDBIRD@starband.net.

Internet Access

The Board has voted to assume the costs of the DSL and Internet access at the clubhouse. As such, we currently have wireless available in the clubhouse and the attached patio picnic area. It is open access to any member and their families. ENJOY.

Board of Trustees Elections

There are four positions on the Board of Trustees that will be open for reelection. These positions are currently held by Dave Menchen, Maury Drummey, Jim Goebel, and Paul McClaskey. If you are interested in running for the Board effective 14 November at our Annual meeting, please contact Rolf Hegele, CCSC Secretary with a short bio and plans for the Club.

By-Laws Changes

The Board voted to present a number of By-Laws changes to the membership. These changes will be posted to the website shortly and will be clarified in the next Newsletter. The vote on the recommendations will be part of the election process in October.

Change in Procedures

As noted in the June minutes, The Board of Trustees has elected to push publication of the Newsletter and the invoices to the second Saturday of a month. This will allow decisions affecting the membership made at the Board Meetings on the first Saturday of the month to be published quickly rather than having to wait waiting a month. Invoices and their due date are also adjusted by one week accordingly.
