ANNUAL BANQUET

Although plans to hold the Wright Brothers Memorial Contest and Fun Fly Event were delayed until August because of the forecast weather, the CCSC Annual Banquet and awards event took place on schedule at the clubhouse on Saturday, May 27. There were 51 members and guests present to enjoy the meal served by Little Miami River Catering. Despite the forecast the weather was perfect for an evening on the patio.

All the delicious items made it a challenge to save room on your plate for the roast beef that was featured at the end of the serving table.

The food was great and the chance to catch up with friends and make new friends was facilitated by the informal patio environment. What a great facility CCSC has!

After a delicious meal everyone sat back to listen to John Lubon's presentation about club activities, accomplishments and awards for the past year. His slide show is available on the website.

- **Trustee Award for Outstanding Service to CCSC - Henry Meyerrose**

Unfortunately, Henry was not in attendance at the banquet to accept his award, but there was a strong sentiment of support when it was announced that Henry Meyerrose was selected for the 2017 Trustee Award in recognition of his many years of service to the club in many ways including runway construction, maintenance and drainage; building construction and maintenance; grounds care machinery purchase and oversight; service on the Board of Trustees, Board of Directors and many other aspects of club life. Caesar Creek Soaring Club thanks Henry Meyerrose for his contribution to the creation and success of the club.

A SHOUT OUT FOR OUR TOW PILOTS

Memorial Day Monday, 5/29/17 dawned gloriously with good soaring numbers. Those of us lucky enough to get a "Kitchen Pass" (Wiki Def: One spouse granting another approval to engage in an activity not involving the granting spouse.) showed up at the Farm with hope in our hearts for a wonderful soaring experience. Glider hangars sprang open and white works of art rolled out, growing into graceful images that Orville and Wilber could have never imagined. As the noon hour approached these long winged beauties made their way to the flight line and launched to disappear into the cumulus. The single constant was the song of the Lycoming coming and going throughout the day. Our single tow plane on duty this day was staffed by two glider pilots themselves, who chose to serve the club rather than serve their desires to soar. Tow pilots at CCSC should never have to put a buck in the beer fund. Their thirst should be remedied by those glider pilots on the other end of the tow rope. - A Crew Dog

NEW HELP FINDING SOMEONE TO SWAP CREW DAY ASSIGNMENTS

A new web-based process for facilitating swapping crew day assignments was announced in the 2/21/2017 Frequent Flyer along with instructions for using the system. This process is intended to help members find another member who will agree to swap crew duties for one specific set of dates. It is **not** for getting reassigned to a different crew for an indefinite period. Brian Stoops is the person who oversees crew assignments, so Brian is the one to whom you need to speak about a long term change.

Remember that **UOP 2.2 CREW MEMBER DUTIES** states: "All crew members are to report for duty at 9:30 AM and work until released by the Crew Chief. Each crew member is personally responsible for arranging for a qualified substitute in case of his or her absence. Scheduled crew members are expected to be present for each of their scheduled crew days regardless of flying conditions." This new process does not relieve any crew member of the responsibility for arranging for a qualified substitute and informing the crew chief; rather it is intended to help accomplish that task.

As of 1:00 pm on 5/30/2017 there is one request for a member to swap or substitute a crew day.
