FIFTH WEDNESDAY - BRIAN STOOPS

August 30 was a slow day because of a low ceiling. Nevertheless there were six flights before operations were shut down at 15:30.

FIRST SATURDAY - DANIEL BEANS

The remnants of hurricane Harvey resulted in flight conditions below VFR minimums so the First Saturday Crew moved 1-26 361 from the workshop and loaded it on it's trailer for the next step in its refurbishment.

HELP FINDING SOMEONE TO SWAP CREW DAY ASSIGNMENTS

A web-based process for facilitating swapping crew day assignments was announced in the 2/21/2017 Frequent Flyer along with instructions for using the system. This process is intended to help members find another member who will agree to swap crew duties for one specific set of dates. It is **not** for getting reassigned to a different crew for an indefinite period. Brian Stoops is the person who oversees crew assignments, so Brian is the one to whom you need to speak about a long term change.

Remember that **UOP 2.2 CREW MEMBER DUTIES** states: "All crew members are to report for duty at 9:30 AM and work until released by the Crew Chief. Each crew member is personally responsible for arranging for a qualified substitute in case of his or her absence. Scheduled crew members are expected to be present for each of their scheduled crew days regardless of flying conditions." This new process does not relieve any crew member from the responsibility for arranging for a qualified substitute and informing the crew chief; rather it is intended to help accomplish that task.

As of 4:00 pm on 9/05/2017 there are no requests for a member to swap or substitute a crew day:
