CONGRATULATIONS JOHN MURRAY

John Murray won the Region 5 South 18 Meter Class contest at Cordele, GA, last week. He finished in [first place on two days and third place the other](#) to emerge as the clear leader for the 18 meter class. John and Linda are now focused on the 18 Meter Class Nationals in Hobbs, NM, June 18-27. Best of luck at Hobbs!

SATURDAY, JUNE 8 – DICK HOLZWARTH

Routine operations for six flights from runway 09 until 1500; shut down then due to increasing wind and approaching rain and lack of customers.

SUNDAY, JUNE 9 – LUCY ANNE McKOSKY

Light rain and a stiff breeze, but adequate ceiling. Only three flights ... instructors maintaining currency. No other customers showed up.

POTLUCK DINNER ON JUNE 15 – LINDA MURRAY

The June Potluck theme is **SALADS!** All kinds of salads. My personal favorite for summer is Macaroni salad. However, there are MANY salads for summer: Potato Salad, Tuna Salad, Chicken Salad, Spinach salad, Cobb salad, Chef salad, Tomato and cucumber, Ham salad. Add your own favorite and as always—Enjoy! Dinner will be about 6:30 P.M. if we are done flying by then.

SUPPORT U.S. WOMEN'S INTERNATIONAL SOARING TEAM – LUCY ANNE McKOSKY

For the first time, the United States will send a full team of three pilots to the 2020 FAI Women's World Gliding Championships. Sarah Kelly Arnold, Kathy Fosha, and Sylvia Grandstaff will travel to New South Wales, Australia, next January to compete in this prestigious international competition.

Sending three pilots such a long distance will be very costly. To contribute to this effort, CCSC will sponsor a benefit dinner during the upcoming Standard and Sports Class National Contest. The date is Saturday, June 22 around 6 pm, the menu is Italian (spaghetti and meatballs, salad, garlic bread, and dessert), and the cost will be \$15 per person. All club members, families, and friends are invited to come and share an evening of fun and good food with the contest participants. Please RSVP to Chuck Lohre (chuck@lohre.com) or Lucy Anne McKosky (lmckosky@roadrunner.com) if you plan to attend.

One of the team members, Sylvia Grandstaff, is planning to compete in the contest at CCSC. She will be at the dinner and you will have the opportunity to meet her and hear about the team's exciting opportunity.

Come on out to the gliderport on Saturday, June 22 and support our outstanding women competition pilots. You'll enjoy good food and good company and help three great young women soar to great heights!

CCSC TEAM IN 11TH PLACE IN OLC USA GOLD LEAGUE AT END OF ROUND 8

Only Tom Holloran managed to submit a flight to [OLC.com that counted for our team in Round 8](#). That was good enough to get 11th place for the round and a couple of points. Tom flew from Sunflower Aerodrome Gliderport in Hutchinson, Kansas, on June 8 for an average speed of 74.2 km/hr over a 185.5 km segment of a much longer flight. For Round 7 John Murry's flight at Cordele [on 6/2](#) and Tom Holloran's flight the same day from Sunflower secured 11th place, but John's winning flights on [6/3](#), [6/4](#) and [6/5](#) were not a factor for Round 8. Overall the CCSC team is now tied with the 10th place team, Seattle Glider Council, with 31 points, but our slightly slower average speed puts us in 11th place overall.

The [questions that are used for the Bronze Badge written test](#) are now presented in the form of a quiz. This will be very helpful for pilots preparing to take the written test for the Bronze Badge, so [take a look and try a practice test](#). An excellent list is provided with links to the fifteen references in which the full explanation of the subject matter is available.

- Enter your name and then send that text.
- Promptly there will be another incoming text: “Remind: Thanks *Your Name!* Quick question: are you a student, parent, or teacher? Reply S, P, or T.”
- You should enter **S** and send that response. [This system was designed for and is widely used by schools. It was the application of choice for CCSC because it is free and already familiar to some of our members. So, to receive the condition reports you are an “**S**”.]
- Your next incoming message will say: “You’ve joined Caesar Creek Soaring Club! Next, download the Remind app to see the 1 message you missed:” followed by a link “Tap to Load Preview”. HELP FINDING SOMEONE TO SWAP CREW DAY ASSIGNMENTS

A web-based process for facilitating swapping crew day assignments was announced in the 2/21/2017 Frequent Flyer along with instructions for using the system. This process is intended to help members find another member who will agree to swap crew duties for one specific set of dates. It is not for getting reassigned to a different crew for an indefinite period. Mark Miller is now the person who oversees crew assignments, so Mark is the one to whom you need to speak about a long term change.

Remember that UOP 2.2 CREW MEMBER DUTIES states: "All crew members are to report for duty at 9:30 AM and work until released by the Crew Chief. Each crew member is personally responsible for arranging for a qualified substitute in case of his or her absence. Scheduled crew members are expected to be present for each of their scheduled crew days regardless of flying conditions." This new process does not relieve any crew member from the responsibility for arranging for a qualified substitute and informing the crew chief; rather it is intended to help accomplish that task. As of 3:00 pm on 6/11/2019 there are five requests for a member to swap or substitute a crew day.
