NEWS YOU NEED TO KNOW

- Pot Luck Dinner on September 20 will feature a great speaker on Astronomy

CALENDAR OF UPCOMING EVENTS

Sep 13	CCSC Trustees Meeting
Sep 20	Pot Luck Dinner – Astronomy talk by Dean Regas of Cincinnati Observatory
Nov 11	Annual meeting and election
Feb 21	Banquet – Gary Adams

CCSC REPRESENTED AT AIR SHOWS

CCSC was well represented at Cubby's on August 30 and Wright Brothers Aero Carnival on Saturday, September 6, and Lunken Airport Airshow both Saturday and Sunday, September 6-7. Bob Miller, Brian Stoops and Gary Adams coordinated CCSC participation at the three fields, respectively. Brochures were handed out at a fast rate with many indicating a desire to follow up with a visit to the gliderport. There was a raffle at each airshow for a free glider ride which provided us with contact information for prospective new members.

Gary & Belinda Adams and Maury Drummey encouraging 10-year old Joshua Rising in the ASW20 at Lunken Airport

Bernie Fullenkamp and Dick Holzworth discuss soaring with Wright Brothers Aero Carnival participants.

At Huffman Prairie, where the Wright Brothers did much of their initial testing, the crowd was smaller than expected for the Wright Brothers Aero Carnival. Nevertheless, about 60 people stopped to inspect Rolf Hegele's ASW20 and to talk with Rolf, Dick Holzworth, Bernie Fullenkamp and Brian Stoops about soaring. Several expressed serious interest in taking a ride.

IMPROMPTU FLYING ON FRIDAY WAS CHALLENGING

A small group set out to take advantage of what offered promise to be a good flying day on Friday, 9/5. The weather actually turned out hot and humid. Although there was very little wind initially, it picked up to 5-10 kts from the SW by the time to start launching. Lift was marginal to non-existent with bottoms at 3000 AGL and higher winds at altitude. There were six flights and one aero retrieve of one of our more experienced pilots who suggested the impromptu flying! Chalk it up to experience.

SUNDAY FLYING WAS SPECTACULAR, 9/7/14

The weather was spectacular with winds 5-10 from the East, so operations were from the West end. There were 44 flights with 2 guest rides and 2 aero retrieves from Hook Field. One new youth member submitted his application for membership.

DAN REAGAN'S CRYSTAL BALL SAYS...

Saturday a cold front passed through which produced good soaring weather and some good flights on Sunday. It is predicted that next Thursday a stronger cold front will arrive which should produce good soaring weather for Friday and the weekend. So plan to come out for some good flights the latter part of this week.

ASTRONOMY AT SEPTEMBER POT LUCK

Mark your calendars. The pot luck dinner on September 20 will feature Dean Regas, astronomer at the Cincinnati Observatory, who will give a presentation about astronomy. He has a reputation as a very interesting speaker, so you will not want to miss this. There is a potential for it being a great evening for star gazing since there will be minimal moonlight, so bring your telescope.

KITCHEN REPAIRS ARE COMPLETED AND IT LOOKS GREAT

Henry Meyerrose, Dick Scheper and Larry Kirkbride spent a Saturday installing the cabinets, counter tops and sink to replace those damaged by the water leak earlier this summer. When you see them, be sure to add your expression of thanks for their great work.

2020 PLANNING COMMITTEE

The 2020 CCSC Planning committee was formed to develop a strategic plan and recommend actions that help ensure the viability of the club through the year 2020. Committee members are: Jim Marks – Co-Chair, Steve Statkus – Co-Chair, Maury Drummy, Rolf Hegele, John Lubon, Patty Marks – Scribe, Norb Maurer, Linda Murray, Kevin Price, Dan Reagan, Dieter Schmidt, and Caroline Statkus – Facilitator.

An organizational meeting was held on July 26, 2014 in the clubhouse. Jim Marks led a discussion on the method to “Get from Here to There” and Caroline Statkus facilitated the development of Mission and Vision statements:

Mission: Promote soaring in a safe, fun, family friendly environment at an affordable cost.

Vision: We are known as a vibrant, affordable soaring club for all ages.

The team agreed that it is very important to encourage input to the committee from CCSC members. Please share your thoughts and suggestions with one of the committee members directly, or send

your comments to the committee at 2020committee@soar-ccsc.com. The minutes will also be posted on the club's website. All meetings are open to club members.

Periodic status updates will be published in the Frequent Flyer to keep everyone up to date on the committee's progress. The goal is to complete the task by Thanksgiving and present a report at the Annual Meeting in January. – Jim Marks
