ADULT AND XC CAMP

On Monday, the Adult and XC Camp will run throughout the week. Tow pilots will be available as well as some instructors. There will be a 10 AM meeting every day to review safety and the weather. Everyone attending should plan to attend this session.

John Lubon and Rolf Hegele will be available to mentor XC flying and John may provide leader/follower guidance if there is enough interest. Please let John and Rolf know of your interests.

FROM THE OFFICE

Over the last month we had a large number of flight cards which have not been filled out completely. This causes significant manual processing, particularly when trying to determine the aircraft flown. I would encourage the tow pilots to review the cards to ensure everything is filled in. If not stop the launch momentarily to get the card correct. The amount of time spent on the flight line getting it corrected is substantially less than the time and effort required to deal with it in the office.

2023 YOUTH EDUCATION WEEK (YEW)

YEW turned out to be a fantastic success. With eighteen campers taking part, it was our largest Camp yet. We can only give our thanks to all the instructors, tow pilots, and members who became ground crew and helped make it a great Camp. Although there was concern about the weather all week, it held up for flying every day, but it was hot!!

Following is a picture celebration of the camp. (*Pictures selected by your editor*). But also look at the slide show at the following link as put together by little Henry Hayter.

LAND'S END EMBROIDERED CLOTHING AND PROMOTIONAL ITEMS AVAILABLE ONLINE. PATCHES ARE IN THE DISPLAY CASE. – CHUCK LOHRE

Embroidered patches are available in the display case at \$5 each. The design is slightly different from the Land's End version.

The Land's End embroidered CCSC patch is approved for use on their clothing line website. Go to <http://business.landsend.com/store/ccsc>, select your garment or promotional product and then select the "APPLY LOGO(S)" box. The CCSC Patch was created for general club use. For my own personal use, I created the embroidery of my call sign "6V" and the ASW 15 planeform for the sleeves. If you would like your call sign or planeform created, send me a photo of your tail, the one-time cost is \$29 each to create the embroidery programming. Most of our

plane forms are on the back of our silk-screened t-shirts in the clubhouse. The sizes run large, I got my usual XL shirt and it's too large for me. Only some of the promotional items are available one at a time for embroidery. My shirt, shown, cost \$35.95, plus \$8.95 for the patch and \$6.95 each for the sleeves. They will also charge you tax and my shipping was \$9.95.
