BANQUET

Our Annual Banquet is being held at the Engineers Club of Dayton on Saturday, 27 January. This the same venue as last year but it will start at 4:30 PM. The earlier hours are intended to facilitate our departure by 9PM while still conducting our entire program.

Times are tentative, and not yet confirmed with facility management. Watch for a possible update. Plan on looking around. You'll want to visit the library, see a prototype Wright Bros engine that predates the 1903 airplane, etc. We are building in free time at the end of the evening as well as the beginning.

The venue is semi-formal. No jeans, no golf shirts, coat and tie preferred.

Don't park in the nearby city garage! They close the gates and your car will be stuck there until morning.

Our guest speaker will be retired US Army CW4 (and current JetBlue captain) Gerry Izzo. The focus of his talk will be his experiences during Operation Gothic Serpent in Mogadishu, Somalia, in October 1993. This mission resulted in the well-known book, Black Hawk Down, and the 2001 movie of the same name.

DATA UPDATE

Attached to this Newsletter on the last page is a data sheet that will be used to update and/or confirm the data maintained by the Club. Of most importance is the Emergency Contact information should that data be necessary.

Since this is an email, you can simply '**Reply**' to this email; enter the required data; and then **Send** the email. There is also a clean document at this Link that you can print, fill out, scan, and email to data@soarccsc.com or soarmail@soarccsc.com. The entire Newsletter is also available on the Frequent Flyer page of the web site. Alternatively, you can drop the form at the office.

2023 PHOTO CONTEST

We currently have 86 photographs submitted by 10 members to be evaluated for award. The last day

for receipt of photos is 5 January. If you have any more to submit, make sure that Rolf has them at N11rdbird@att.net. We are also in need of additional judges, you or your spouse. Let Rolf know as early as possible.
